

**SAFNOG-6**

**VIRTUAL  
CONFERENCE**

**September 27-28, 2021**

# Southern Africa Network Operators Group

## Building & Sustaining Regional Communities

As Africa develops her regional infrastructure, it has become more important to be able to build and sustain regional communities in support of the same. While not intended as a replacement for existing mailing fora, SAFNOG hopes to be able to provide a discussion forum and build a community for matters specific to the sub-region.

# SAFNOG

## SAFNOG-6 VIRTUAL CONFERENCE

SAFNOG looks forward to hosting the 6<sup>th</sup> annual conference virtually on September 27-28, 2021.

The SAFNOG-6 Virtual Conference will be a two-day event of robust engagement and knowledge sharing on topics relevant to Internet Operations and Technologies such as:

- IPv4 / IPv6 Routing and Operations;
- Internet policy;
- Network security issues; and
- IXPs and Peering.
